Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The attorney discussed his opinion regarding the rejection of record as well as the prior art. The attorney feels that the prior art used to reject the claims is too broad, and does not explicitly teach the formulation claimed by applicant. The examiner argued that the claims themselves are very broad. The attorney discussed some possible amendments to the claims, and has agreed to fax a draft of the amended claims to the examiner for consideration.

(A fuller description, if necessary, and a copy of the amendments which the examiner agreed would render the claims allowable, if available, must be attached. Also, where no copy of the amendments that would render the claims allowable is available, a summary thereof must be attached.)

i) ☐ It is not necessary for applicant to provide a separate record of the substance of the interview (if box is checked).
